

Instructions for the Project-Based Learning (PBL) assignment based on the Technical Writing (TW) syllabus

Technical Writing (TW) – Project-Based Learning (PBL) Instructions

General Guidelines:

- **Group Size:** Maximum **2 students** per group.
 - **Submission Date: 15th March** (No submissions will be accepted after this date).
 - **Submission Platform:** Upload your completed project in **PDF format**.
 - **Marks Allocation:** Each project carries **50 marks**—evaluation based on **content quality, originality, presentation, and adherence to guidelines**.
-

Project Requirements:

1. **Select One Project:** Each group must choose **one project** from the provided **PBL Question List**.
 2. **Original Work:** Ensure all work is **original**—plagiarism above **10%** will lead to disqualification.
 3. **Format of Submission:**
 - a) **Cover Page:** Include the **project title, group member names, roll numbers, and submission date**.
 - b) **Introduction:** Briefly explain the objective of your chosen project.
 - c) **Methodology:** Describe how you approached the project.
 - d) **Findings/Output:** Present the outcomes with appropriate examples (letters, proposals, visual aids, etc.).
 - e) **Conclusion:** Summarize key takeaways and learning outcomes.
 - f) **References:** Cite any external resources (if used) in APA/MLA format.
-

Specific Instructions:

1. Use **Times New Roman, Font Size 12, and 1.5 line spacing** for the main text.
 2. Projects must be between **8-12 pages** (including visuals where applicable).
 3. File naming format: `TW_PBL_GroupNumber_ProjectTitle.pdf` (e.g., `TW_PBL_Group3_GrammarHandbook.pdf`).
 4. Ensure **all group members' names** are included on the cover page and inside the document.
-

Evaluation Criteria (50 Marks):

Criteria	Marks Allocation
Clarity, Structure & Presentation	15 marks
Depth of Analysis & Content Quality	15 marks
Innovation & Creativity	10 marks
Grammar & Technical Accuracy	5 marks
Timely Submission	5 marks
